)

**PETITIONER'S ASSENTED TO MOTION TO EXTEND TIME FOR FILING
SUPPLEMENTAL BRIEFING**

Petitioner, William Jewett, Jr., moves this Court pursuant to Rule 6 of the Rules Governing Section 2254 Cases in the United States District Courts, to extend the time to file the parties' additional written submissions based on the discovery herein from July 9, 2008, to August 6, 2008. Respondent assents to this motion.

In support whereof, petitioner states that the three depositions that have been authorized by the Court were conducted by the close of discovery, June 30, 2008. However, the deposition transcript of Detective Sergeant Richard Craig, deposed on Friday, June 27, 2008, has not yet been produced to the parties. Petitioner anticipates citing to that transcript, once it is prepared, in his additional written submission. Petitioner further has a motion pending for two additional depositions, the opposition to which is also due on July 9, 2008, and which Respondent intends to oppose. Respondent's counsel will be on vacation between July 11 and July 28, 2008, and the August 6, 2008 deadline for written submissions is reasonable and timely.

It is in the interests of justice to allow this additional time for filing supplemental submissions based on the discovery herein, and respondent has assented to this motion.
